

Welcome to this year's Religious Education Program. We provide opportunities for the children in kindergarten through High School to grow in their faith and love for God and His Church. The children in grades Kindergarten through Jr. High will be using Pflaum Gospel Weeklies. This faith formation is based on the Sunday Gospels and is written fresh each year according to the liturgical cycle. In addition, to the 32 lessons, each student will receive additional resource materials that are age-appropriate and are essential Church teachings. What is also great is that you will have access to parent materials that will help you as a family grow together in the faith. The High School students will be opening up the work and teachings of St. Pope John Paul II called "Theology of the Body".

In an age of "selfies" and egocentrism, *YOU* cuts through the noise to present an authentic view of the human person. It presents young people with the extraordinary story of their creation as unrepeatable individuals. But the program doesn't stop there. *YOU. Life, Love, and the Theology of the Body* introduces teens to the truth that life is not, in fact, all about them; it is about going out of themselves to be a sincere gift for others.

This program has received a Nihil obstat & Imprimatur.
